🎵 🎺 Brass Band 🎷 🎵

Our brass band practices five days a week.
We take part in a local contest every summer
and a marching contest every fall.
Marching is harder than sports clubs,
but, it is fun when we can perform very well.

Our Comprehensive School Event

Every year, we have a comprehensive learning event.

Many people including our parents come and enjoy our comprehensive learning class.

Some of these activities include:

- A) Good points in Omura
- B) Commercial Making Course
- C) Omura Specialty Cooking Course
- D) Araki Jippo Course
- E) Fukazawa Gidayu Play Course

Fakazawa Gidayuu Play Course

(An original story about Fukazawa Gidayu, a great man in Omura.)

Araki Jippo Course

(Replica of the work of Araki Jippo, a famous painter in Omura.)

Our School Excursion

All the students went to Morizono Park in Omura City.

We worked together to tie long ropes and played group jump rope.

It was challenging but fun!

We also took lots of pictures of the beautiful scenery.

Morizono Park is an amazing place.

Sports Festival

Every year, we have a sports festival in May. There are dances, cheering battles and relay races. Many people including elementary school students and parents come and enjoy our sports festival.

Chorus Contest

Every year, we have a chorus contest in October.

We practice very hard for the contest.

The first place class receives a trophy.

Many people including our parents come and enjoy our festival.

School Trips

Our school's second grade students have a 3 day school trip every year. In last year's school trip, on the first day, we went to an African safari and the Umitamago Aquarium in Oita.

Here are some of the animals from the African safari

On the second day, we were divided into five groups. One group went to Dazaifu. It is famous because of Sugawarano Michizane.

On the third day, we went to the Green land amusement park. We enjoyed riding roller coasters, buying something, and so on.

~Sunflower Project~

Students at our school grew sunflowers.

Because when we were in 2nd grade, we went to a work experience in our city.

We sent sunflowers to them to say thank you.

If they are happy, we are happy too.
